# Cathartic Pills

inifermity of effect. They are the result of years of careful attudy and practical experiment, and are the next effectual renerly yet discovered for diseases caused by derangement of the stomach, liver, and howels, which require prumpt and effectual treatment. Area's Picts are specially applicable to this class of diseases. They are directly on the digestive and assimilative processes, and restore regular leadthy action. Their extensive use by physicians in their practice, and by all healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine Being compounded of the concentrates virtues of purely vegetable substances they are positively free from exhomet of any injurious properties, and can be mining intered to children with perfect safety.

Aven's Pills are an effectual cure for Constipation or Costiveness, Indigention, Dyspepsia, Loss of Appetits, Foul Stomach and Breath, Dizziness, Headachs, Loss of Memory, Numbreas, Billousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colle, Gripes, Diarrhom, Dysensery, Gent, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus. As a Dinner Pill they have no equal.

While gentle in their action, these Pills While gentle in their action, these Figure are the most therough and searching eather-tic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They atimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole existent.
